OUR SUPERINTENDENT

His Message to the Class of 1957

Dr. CLINTON M. PUFF
Maryville College, A.B.
University of Pittsburgh, M.Ed., Ph.D.

To the Class of 1957:

I am informed that the theme of your yearbook is the relationship between the Scottdale Joint High School and the communities in which you live. Let me congratulate you on recognizing the close relationship which exists between school and community, and let me compliment you on making that relationship the theme of your yearbook.

Very often high school pupils are not aware that the school is part of the community. The school may on occasion be thought of as belonging to the teachers, or to the school board, or to some other individual or group. Too often the real purpose of the school is not understood even by adults. To say that schools belong to the people and that they are everybody's business too often results only in the discovery that what is everybody's business is nobody's business. But if we are to build America and keep her strong, then today more than ever education—like freedom—is everybody's job.

It is heartening to find that the Class of 1957 is interested in the schools as a part of the community, and it is to be hoped that your interest will continue through the years after your graduation. And we who are dedicated to the cause of education pledge to you that we shall continue to strive with all our might to make your schools the best that it is possible to make them.

My sincere best wishes to the Class of 1957.

Clinton M. Puff

His dreams today will be tomorrow's reality.

OUR PRINCIPAL

His Message to the Class of 1957

RAY E. RONCO
Waynesburg College, A.B.
University of Pittsburgh, M.A.

May we pause in the midst of receiving the congratulations of those interested in us, and re-affirm in our hearts and our minds our responsibilities to our community and our nation.

Our community depends upon the interest exerted by each of us. Some of us may feel that we have fulfilled our obligations to the community by merely paying our taxes. Real citizenship, however, involves an intelligent interest and participation in community affairs. The democratic philosophy which you have inherited gives you the privilege and responsibility to create the kind of community you desire to live in.

Just as we are interested in the welfare of our neighbors, so we as good Americans should be interested in our neighbors of the world, who are brought near to us by our quick methods of transportation and communication. Our peaceful existence in our communities is based upon peace among all people. We cannot feel secure unless security and peace are world-wide.

Thus I repeat to all of you may you pause on this momentous occasion in your young lives and ask God's aid in making a contribution to your community, your nation, your world, in order that it may be a better place in which to live.

Best Wishes,
R. E. Ronco

THE CLASS OF 1957

Happy Graduates Today-Responsible Citizens Tomorrow

LEFT TO RIGHT: Evelyn Vough, Ronald James, Virginia Stickley, Robert Farrah.

Although the Class of 1957 must depart from its Alma Mater, we shall treasure memories of our school days long after we've gone our separate ways.

In our freshman year the goal of graduation was too far in the future for us to glimpse. We knew that there was much to learn and we were eager to possess this knowledge. Activities, games, assemblies, parties kept our interest high and prepared us for the years ahead.

As sophomores in senior high, we felt very important although upperclassmen tried to keep us in our places. With new teachers, new subjects, and field trips the year went fast.

Financial responsibilities we were forced to face in our junior year. We reelected Robert Farrah class president because we knew he could lead us successfully through this important year. Class rings finally arrived and how proudly we wore them. Off to Washington we went, eighty of us. Last and crowning event of the year-the junior-senior prom.

Seniors at last! Graduation, our goal, in sight! With Bob Farrah serving his third term as president, we started the year with confidence. How proud we were of our majorettes and cheerleaders and band members, our Gridiron Queen, our class play! Will we ever experience happier days?

And then after all the gay times, the final event—Graduation Day, June 4. Yes, the time had come for parting. With mingled joy and sorrow we said farewell to our high school days and our classmates and promised never to forget.

MOTTO: Knowledge is King When Success is our Goal

SONG: Graduation Day

Now's the time to leave our teachers dear,
The friends we had throughout the years;
To the Alma Mater
We must say good-bye.

At the senior prom, the football games,
The victories that have won us fame,
We'll remember always
Graduation Day.

Now's the time for parting;
We must bid farewell!
To the halls of Scottdale,
Wanting again therein to dwell.

When the Blue and White is far behind,
Our memories there will still wind.
We will now depart from
Dear Old Scottdale High.

Future now is calling;
We must travel on
Toward our life's ambition,
Knowing the joyful times have gone.

It's the time for joy, the time for tears,
For some may never meet for years.
We'll remember always—always
Dear Old Scottdale High.

We'll remember always
Dear Old Scottdale High.

The Girls' Athletic Association of our school has a membership of forty-five girls, eleven of whom were seniors. These girls who enjoy actual participation in sports as well as spectator contests met twice a month with their sponsor, Mrs. Alda Beck.

During the nice fall weather they played softball, volleyball and kickball in the small play area back of Junior High. When the weather got cold, they went to the YMCA for basketball, swimming and table tennis.

At the close of the year the eleven senior girls were presented with GAA pins, and one-year members in good standing were given Association emblems.

The officers were Dolores Koza, president; Mary Ann Zozula, vice-president; Donna Lea Lochinger, secretary; and Eileen Beck, treasurer.

FUTURE HOMEMAKERS OF AMERICA
TOWARD NEW HORIZONS

J. Metzler, R. Tofani, S. Pervoy, R. Schwalke, P. Stanek.

The Scottdale Chapter of the Future Homemakers of America has had a very successful year. This group consists of thirty-three Senior High girls, ten of whom are seniors. An impressive initiation service was held at the Mennonite Church for the fourteen new members of the group.

The FHA has carried on such projects as selling greeting cards and sending packages to CARE and Crossnore School for needy children.

Representatives with their sponsor, Miss Davis, attended the FHA Region B meeting at Penn-Trafford Joint High School, Claridge, Pa., and enjoyed a very interesting program, the theme of which was "The Future is in Your Hands."

The FHA motto, "Toward New Horizons," explains the purpose of the organization, learning to live better today in order that our lives and those of our families may be better tomorrow.

The faculty sponsor is Irene K. Davis. The officers are Sheila Pervoy, president; Regina Schwalke, vice-president; Patricia Stanek, secretary; Joyce Metzler, treasurer; Rita Tofani, historian.

ORCHESTRA

STRINGS: W. Wallis, J. Anderson, J. Jenkins, E. Strable, J. Hazen.

ORCHESTRA DIRECTOR: Mr. Hazen

Scottdale Joint High School has a twenty-five member orchestra under the direction of George C. Hazen. Meeting twice a week with their instructor, members have an opportunity to further their study of music and develop technique.

The orchestra is a distinct school asset as it furnishes music for the indoor programs sponsored by the school. Few schools in this area have orchestras because of lack of interest in stringed instruments by many students.

Scottdale's orchestra is always represented at district, county, and state festivals.

The senior members who will not be present next September are Joe Bitner, Terry Harper, Ronald James, Frank Rush, Scott Wagner, William Wallis, and Eugenia Yahner.

Miss Dick, SPONSOR; OFFICERS, Robert Farrah, Johanna Johnson, Scott Wagner, Joe Maloy.

To belong to the Honor Society is a mark of distinction coveted by all good students at Scottdale Joint High School. Selection of members is based on scholarship, character, leadership, and service. Membership is limited to juniors and seniors, three percent of the junior class becoming eligible for membership in the second semester, five percent of the senior class, in the first semester, and an additional two percent in the second semester. Selection is made by a faculty council.

Organized in February, 1944, the Scottdale High School Honor Society became affiliated with the National Honor Society in 1953. The objects of this organization are to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the pupils of our school. The shield and the torch are the emblems of the organization. Miss Dick is the faculty sponsor.

STUDENT COUNCIL

Laboratory of good citizenship

OFFICERS: R. Farrah, P. Thomas, F. Rush, V. Stickley

Student Council is the one organization where the students are given a voice in the running of our school, a chance to discuss problems confronting our student body and make suggestions for solving them.

Membership is limited to class presidents and vice-presidents and home-room presidents and permanent members elected by students bringing the total enrollment to 27.

Under the leadership of Robert Farrah, president, assisted by capable senior officers and sponsor Mrs. Marjorie Mihm, the Student Council of 1956-57 has made outstanding contributions to our school program. This organization sponsored the Gridiron Queen coronation and ball, put up a Christmas tree and decorations (never did our school look so festive in its holiday attire), conducted Christmas devotional exercises for the week before vacation, and arranged assemblies. Never have we had a more active and responsible leadership in Student Council.

Student Council gives excellent training in citizenship and prepares boys and girls for service in the community after graduation.

Senior Class Play

"The Birds and the Boys" by William F. Davidson was presented by the senior class on Friday afternoon and evening of April 12 at the East Huntingdon High School auditorium.

The action of the play, a moving comedy drama dealing with the problem of juvenile delinquency takes place in the new ranch-type home of the newly-wedded Martins, in Hilton, a small town near which is located Youthville, a sort of Boys' Town where the "best" of the worst juvenile offenders are sent for disciplinary action. An interesting assortment of characters find their way to the home of the Martins for various reasons.

The grand climax is reached when a pair of New York photographers arrive to take pictures of the Martin residence which is to be portrayed in an eight-page color spread in the magazine, "Home and Garden," as one of America's Homiest Homes.

The senior cast under the direction of Miss Laughrey gave an excellent performance. Orchids to Miss Laughrey for a timely choice of play and a superb production.

"Get those ads!" "Find some informal snapshots for the advertising section!" "I've lost that picture for the thira time!" "How many words in that Student Council write-up?"

It was pretty hectic at times in the new little office set up by Mr. Banasick in Room D for the yearbook Staff, but somehow or other we met all the deadlines.

An intensive advertising sales campaign in October assured the financing of the 1957 SCOTTIE. A high pressure sales campaign followed which guaranteed the sale of at least five hundred books.

Photography was a problem only when some few seniors couldn't bring themselves to face the camera, but eventually all photographs were taken and that first very important section was ready to mail.

An original design for a cover presented a challenge to which the staff responded splendidly.

Little did we know the hard work ahead of us when we started to plan our yearbook in September. Now that it is finished we are happy and proud to have had a share in its production.

We appreciate the contribution that Mrs. Gary has made to our book by her excellent photography. We are grateful for the help of our faculty advisors Miss Loucks, Mrs. Gleysteen. and Mr. Banasick.

Thirty-four industrious students made up the Scottie Revue staff this year. Under the capable leadership of Miss Virginia Miner, adviser, Joe Maloy, editor-in-chief, and Jay Metzler, co-editor, the staff did their assignments and turned in neat copy like veteran reporters.

The printing was done in Scottdale and in offset as in previous years. Artype headlines requiring more work by staff members were used for the first time this year.

Several members of the staff with Miss Miner attended the Pennsylvania State School Press Conference in Philadelphia where they acquired valuable information concerning school publications. This has proved most useful. Special feature issues of the Scottie Revue included Gridiron Queen Coronation, Valentine Queen, the special holiday number, and the traditional June graduation number devoted entirely to seniors.

The Scottie Revue staff and Miss Miner can certainly be commended for the fine work done on each issue.

Parent-Teachers Association

At the close of our last school year in Scottdale Joint High School we pause to reflect on the events of the busy and happy years that have passed. The two outstanding influences upon us have been our parents and our teachers. We have been fortunate to have those two unite their efforts in a Parent-Teachers Association, which works to bring about a closer relationship between our homes and the school.

We express our appreciation to the parents and teachers who have cooperated in this association for the contribution they have made to our happiness during our school days and to our success after graduation.

EDUCATION WEEK IN OUR SCHOOL

American Education Week was observed in senior high school this year on Thursday evening, November 15. Parents were invited to come to school with their children and attend classes with them.

After dismissal of pupils a social hour for parents and teachers followed with refreshments served in the dining room of the home economics department by a PTA committee of senior high home-room mothers.

Senior girls welcomed guests and ushered them to classrooms. The Scottdale Joint High band furnished music at intervals. In every way it was a memorable evening for parents, teachers, and students.

The Scottdale Joint High School Choral Club had an extremely active year getting off to a good start socially with a buffet dinner at Camp Laurelville and a hayride later in the fall.

Combining the talents of the mixed chorus of sixty-six voices with those of the dramatic and instrumental departments, a program which had as its theme "Christmas Through the Ages" was presented before the holidays under the direction of Mrs. Alice Martz to students and to parents.

Choral Club members with their director attended District, County, and State festivals.

Spring events included participation in the annual Easter Morn Sunrise service, a concert presented to Derry Area High School students and the participation of choral groups in the commencement exercises.

A banquet at which the twenty seniors members were presented with Choral Club pins brought the activities of the club to a close for the year 1956-57.

SCOTTIES WIN OPENER

The Scotties opened the 56 season by defeating a newcomer in the schedule, Turkeyfoot, 41-7. After the Varsity scored 20 points in the first quarter, the reserves took over. Henderson got two touchdowns and Stoner, Mehallick, Lochinger, and Glowacki accounted for the remaining points.

PENN JOINT RALLIES TO TIE SCOTTIES

The Scotties traveled to Claridge and battled the Indians to a 26-26 tie, a thrilling see-saw affair. Scottdale was leading 26-19 with 40 seconds left to play when the Indians scored on a 70-yard pass play and added the extra point to tie the game. Denny Stoner scored three times and Mehallick scored the remaining Scottie touchdown. Cox and Ponko played good line ball.

SCOTTIES RALLY TO WIN

Trailing 19-0 at halftime, a fired-up Scottie team rallied and defeated the Golden Eagles of South Huntingdon 21-19. The Scotties' forward line of Porter, Cox, Clelland, Ruth, Ponko, Dayoob, and Koshara shook backs Warrick, Mehallick, and Weaver loose for the touchdowns. The battling Scotties showed the district fans they had what it took to win.

SCOTTIES WALLOP ROSTRAVER

Playing on a foreign field, the Scotties racked win number 4 by trouncing Rostraver Twp. 39-6. Denny Stoner scored three times on runs of 80, 60, and 73 yards, Weaver twice and Koshara accounted for other tallies. Once again the forward line of the Scotties did its stuff as they moved the Leopards all over the field.

SCOTTIES TROUNCE DUNBAR

Out to revenge last year's upset, the Mules got a worse shellacking from the Scotties 33-12. Dunbar narrowed the margin to 13-7 in the third quarter but only to see the Scotties pour it on in the fourth. Ruth, Cox, and Dayoob stormed on offensive as Porter, Reagan, Koshara, and Ponko turned in good defensive work. Mehallick and Stoner both scored twice and Wall on an 80-yard kickoff return accounted for the remaining score.

HURST TOPPLES SCOTTIES

The Hurricanes, one of our arch-rivals beat the Scottis on the home field 21-13. Trailing throughout the game, the Scotties battled to narrow the margin only to have Hurst keep that one touchdown lead. Mehallick scored the two Scottie tallies as Ponko, Cox, and Ruth played bang-up line ball.

SCOTTIES ROUT N. HUNTINGTON

With the score tied 7-7 at halftime, the Scotties scored 23 points in the second, walloping the invading Bulldogs 30-7. Mehallick scored twice, once on an 85-yard sprint, Koshara on a blocked punt, and Henderson on a 60-yard punt return which ended the evenings scoring. Linemen Dayoob, Ponko, Ruth, and Reagan sparked the line play.

SCOTTIES LOSE TO RAMSAY

With an upset in mind, the Scotties traveled to Mt. Pleasant to be handed their second loss of the season 13-6. Ramsay with the aid of Scottdale's penalties scored twice in the first half to hold a 13-0 halftime lead. The Scotties took the second half kick-off and marched for a score with Henderson going over from 5 yards out. Stoner, Ponko, Dayoob, and Ruth played outstanding ball.

SCOTTIES DEFEAT EAST HUNTINGDON

In the big game of the season Scottdale's fine football team defeated the Bulldogs 39-12. An early opponent threat was repulsed and from then on Scottdale took command of the game. Stoner scored three times and Warrick, Mehallick, and Porter contributed the other six-pointers. Ponko, Cox, Clelland, Dayoob, Porter, Koshara, and Ruth did their share, too, in bringing home the Kropff trophy.

COACHES: Mr. Leon Carson, Mr. Harry Mehallick. They are looking upward and forward to a good season in Section X competition.

VARSITY BASKETBALL

The 1956-57 outlook of the Scottdale Joint High basketball team is a bright one. To date the Scotties have compiled a five and one record in exhibition games and four and two in league play. They have already topped Derry Area, one of their chief contenders, for the Section X crown. Rougher competition is facing the Scotties. However, the outcome of the battles ahead will determine the championship, and if they win, they will compete in the W.P.I.A.L. tournament in Pittsburgh. The Scotties will also play in the Westmoreland County tournament.

In this year's starting five are three seniors: Denny Stoner, a very hard driving guard; Ron Porter, the team's leading rebounder; and Mike Mehallick, who leads the team in scoring. "Boots" Tracy, the lone Sophomore in the lineup and a capable playmaker, and Bob Christner, a junior and good ball-hawk are the additional two varsity men. Two valuable bench men are Gene Dzambo, capable and versatile, and Joe Manarczyk, a fine guard. Bill Cox who started the season with the Scotties is out possibly for the rest of the year with an injury.

JUNIOR VARSITY BASKETBALL

This year's Jayvee squad is enjoying a good year. Up to this date they have won eight tilts and lost four. Much of the material for next year's varsity is in this fast little team, and they will have plenty of wins to show by this time next year. The squad consists of Ed Kaper, a deadly left-handed shot, Jack Wall, a good ball-hawk, Darl Lochinger, a fine rebounder, Butch Weaver, a good playmaker, and John Cable, and Bill Waters. Like the Varsity, the Jayvee's employ the full court press very effectively.

TRACK MEN: E. Dayoob, D. Stoner, D. Warrick, J. Rolison, A. Wilkins, M. Mehallick, R. Christner, R. Knibble, R. Porter, W. Cox.

The 1957 track team is composed of quite a few returning lettermen. Heading the list is Dennis Stoner who will be in the broad and high jumps as well as a relay team. Mike Mehallick will be entered in the pole vault, broad jump, and a relay team. Jim Rolison and Dave Warrick will be Scottdale's top threats in the sprints. Bill Cox and Ed Dayoob will be the power in the shot, discuss, and javelin. Last year Scottdale lost some valuable team members and Coaches Carson and Mehallick will be breaking in some new boys to replace them. If they come through as well as anticipated the Scotties ought to win a good many meets this year.

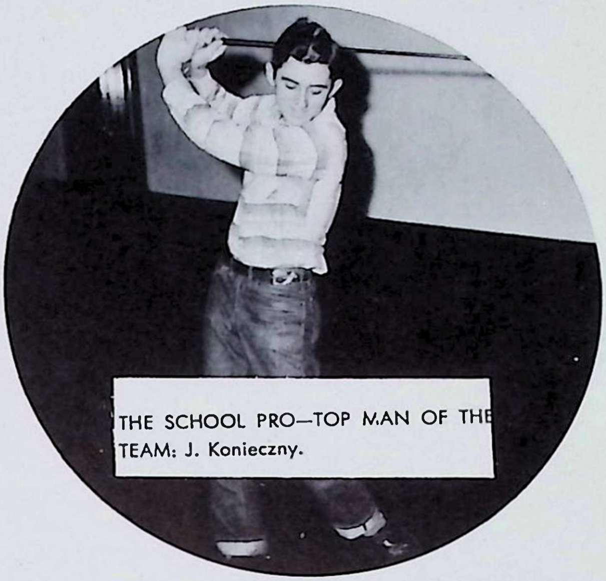
GOLF

A New Scottie Sport

THREE RETURNING LETTERMEN: T. Levendosky, J. Konieczny, E. Konieczny.



THE SCHOOL PRO—TOP MAN OF TH
TEAM: J. Konieczny.

Scottdale Joint High School added golf to its list of sports activities last year. Mr. Ronco was the team's first coach and he did a pretty good job from our point of view. The team also had help from the Pleasant Valley Country Club pro and several club members who were interested in the team. A coach for 1957, at this writing, has not been appointed.

The team was led to victory several times by the great playing of John Konieczeny and Tom Cunningham. With Cunningham lost by graduation, John will remain as top man. Eugene Konieczny and Tom Levendosky shared in gathering up the points also. When the season opens in April, these two players will be fighting it our for the second-man slot, while Eugene Dzambo and Anthony Tyska will compete for the fourth-man slot. John Konieczny, Eugene Koieczny, and Tom Levendosky are the three returning lettermen who will give the opponents a tough fight.

The opponents whom Scottdale will play in Section X this year are as follows: Greensburg, Latrobe, Ligonier, Jeannette, and Connellsville. All the home games will be played at the Pleasant Valley Country Club and the time set for each game is 3:15 p.m. A good season is anticipated.

JANICE MILLER—GRID IRON QUEEN

To the strains of "Triumphal March" from "Aida," played by the Scottie Band, Queen Janice Miller, attended by her court, proceeded onto the football field to be crowned thirteenth gridiron queen of Scottdale Joint High School during half-time ceremonies at the Scottdale—South Huntington Township football game on October 12.

The attendants were Charlotte Fleming, Pat Stanek, Virginia Stickley, and Mary Ann Zozula. Little Bonnie Brooks was crown bearer. Co-captains Bill Cox and Dennis Stoner escorted the queen and presented the crown and robe to her.

The radiant queen wore the traditional white gown, which was fashioned of tiny white lace ruffles. Her attendants looked lovely in their full-skirted pastel gowns. The tiny crown bearer wore white organdy.

Personality, popularity, and service were the qualities which the students considered in selecting the queen and her attendants.

Queen Janice presided over the Coronation Ball, a gala affair which was held in the Armory after the game.

And so to all those who took part including the Queen and her attendants, this never-to-be-forgotten experience will be another happy memory of schooldays in Scottdale Joint High.

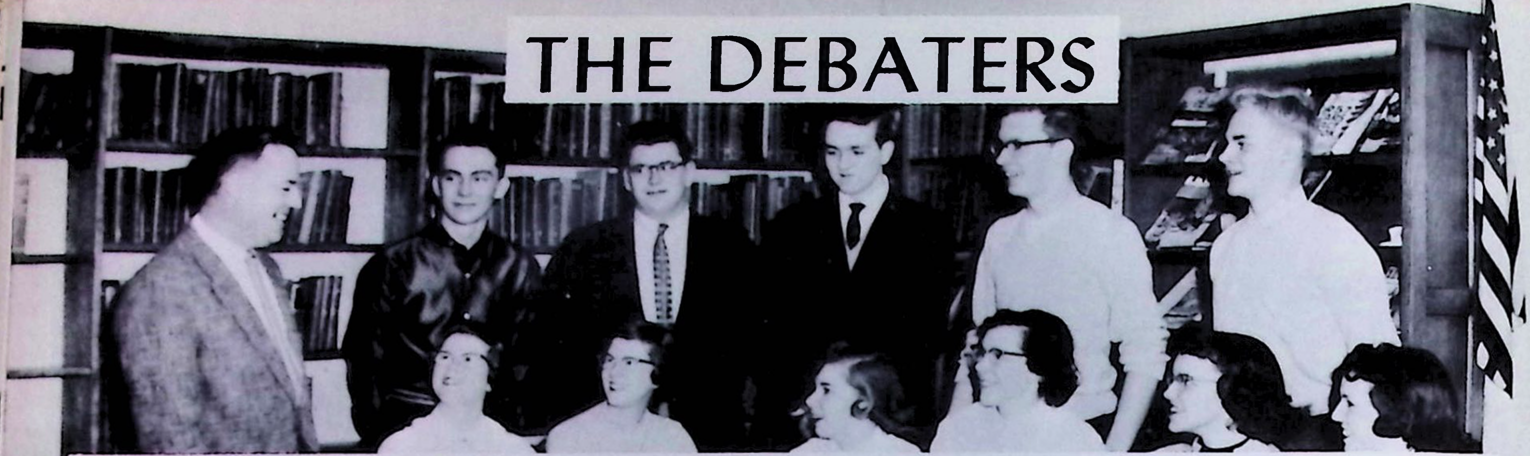
THE DEBATERS



The Scottdale Joint Debate Team was organized this year under the sponsorship of Mr. John Wilson. The group made up of seven juniors and five seniors began its career in debating at the annual high school debating clinic at the University of Pittsburgh on January 19. The negative team consisting of Bill Wallis and Joe Maloy defeated the affirmative team of Hurst and Immaculate Conception High Schools. The topic was the national scholastic debate topic for the year, "Resolved: The federal government should continue aid to the farmer at not less than 90% of parity." The affirmative team was Jean and Jo Yahner.

Scottdale Joint High School is happy to add this club to its list of extracurricular activities and it is the wish of teachers and students that it continue to represent our school in such a worthy manner.

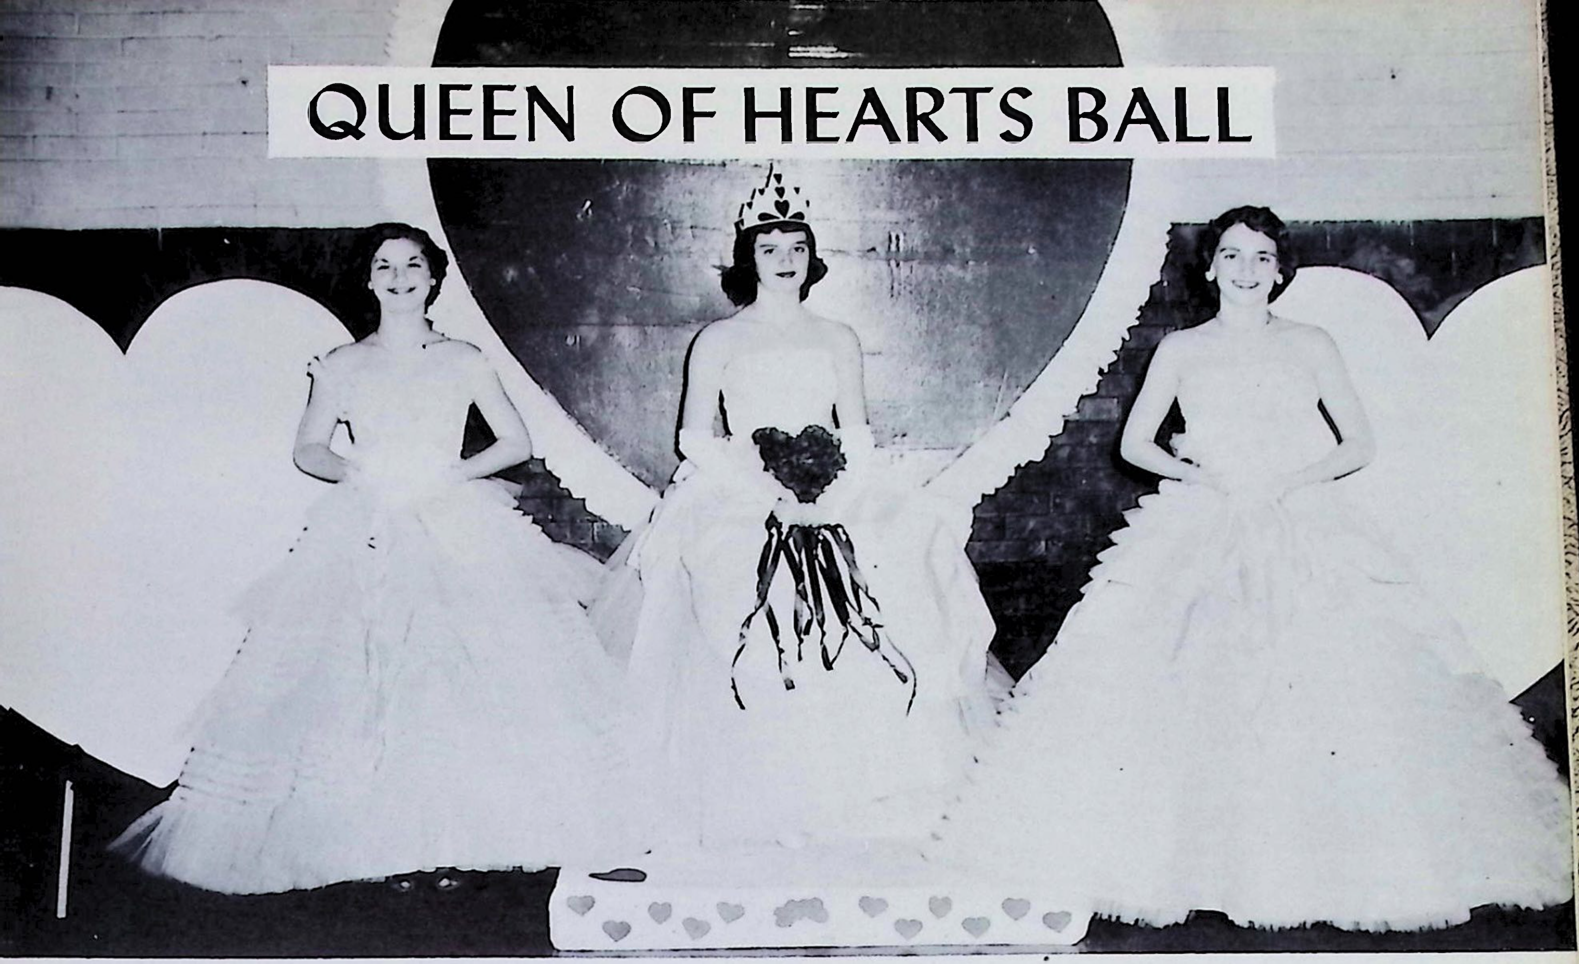
QUEEN OF HEARTS BALL



The Valentine Queen

Dian Bluhm was crowned Queen of Hearts on February 12, by Jay Metzler, president of the junior class, and reigned supreme at the annual dance held in her honor at the Scottdale Armory. Her attendants were Cleda Hixson and Marcia Weisel.

Chosen by the members of the junior class, the girls were deserving of the honor bestowed upon them. Dian is a majorette and has participated in many other activities as well. Cleda also is a majorette. Marcia is a member of Student Council, home room president and is active in FHA.

This is the second year for this important junior event. Patricia Maloy, senior, was the first to be honored as Queen of Hearts.
